## Airport Arrival Instructions

\*With reservation

- Upon arrival at the Tampa International Airport, please proceed to baggage claim to pick-up your bags. The baggage wheels are divided by airlines, so make sure you search for your airlines baggage claim area.
- After collecting your baggage, follow signs to Ground Transportation. SuperShuttle has a booth on the ground floor (near the glass entrance/exit doors).
- Check in with the reservation agent and give either your name or your confirmation number. If you find yourself slightly off track, the SuperShuttle agent will assist you. Tell them which hotel or office location you are traveling to and they will direct you to the next departing Shuttle.
- You may wait in the heated/air conditioned room near the agents' booth. Please ensure that all of your luggage is accessible to the drivers to load prior to departure.
